Just Taste - Organic Edamame Capellini - 250gr

Pasta & Rice / Pasta / Spaghetti - capellini

Edamame are small green soy beans. In Asia, these are often served as a steamer. Our capellini have a slightly nutty taste after cooking, do not stick together (no additional oil is needed after cooking) and are really hearty. The green color remains after cooking and brings color to the plate. As we know, we also eat with the eyes.
