# Just Taste - Organic Sweet Potato Capellini - 250gr

Pasta &amp; Rice / Pasta / Spaghetti - capellini

The sweet potato that isn't a potato! Except that they both grow underground, they have nothing in common and both belong to a different botanical family. Sweet potatoes are considered to be one of the healthiest and most nutritious vegetables. After cooking, the purple or slightly orange color will persist. A colorful pleasure experience. Our sweet potato noodles are ideal for Asian dishes, as they have the consistency of glass noodle after cooking. Kids love them.
